- Highly effective odour counteractant for guest rooms and any common area
- Leaves areas and surfaces smelling clean and fresh

# Oasis Pro 54

## Odour Counteractant · Fresh

### Product Description

Oasis Pro 54 is an effective odour counteractant and fabric odour neutraliser and belongs to the ECO CARE Housekeeping product range.

Oasis Pro 54 has an effective technology that safely absorbs odours on fabrics, carpets, curtains, rugs, clothes and other fabrics. Oasis Pro 54 also neutralises a wide range of malodours including smoke, urine, tobacco and many others in guest rooms, hallways or any common area. Oasis Pro 54 leaves a fresh odour in guest rooms and on fabrics.

### Use Instruction

1. Changing of concentrate pouches:
  - Wear suitable gloves and eye protection while working with concentrate pouches.
  - Unlock product storage cabinet. Remove empty pouch by unscrewing the lock-nut.
  - Place new pouch into dispenser and slide valve into the holder.
  - Insert the nipple into the valve and tighten clockwise until lock-nut clicks. Lock product storage cabinet.
2. Product dispensing:
  - Check on the empty bottle if the colour coding and product number correspond to that of the required product.
  - Insert the outlet tube into the bottle and raise the bottle into the dispenser until product is released.
  - Remove the bottle from the dispenser when you have sufficient product. Allow the residual product in the outlet tube to drain into the bottle. Re-attach sprayhead.
3. Product application:
  - On textiles spray at a distance of 30 cm.
  - According to the size of the room, spray once or twice to create a pleasant scent.

Do not use on leather! Before use on water sensitive textiles i.e. silk, try product on a non-visible spot.  
Recommended use-concentration: 5-8 %
